Bus Drivers

Forest school is fortunate in that they have a group of fine bus drivers. They have quite a job on their hands because they are likely to be called upon to take a group of students "anywhere" and at "anytime". They transport us to ball games, musical programs, field trips, parties, etc.

They must be good drivers, good citizens and good sports to fill the job they are called upon to do. A bus driver must play all kinds of roles, from that of a policeman to that of Santa Claus. They get their jobs by bidding for their routes. They furnish the chassis for their bus and the township furnishes the bodies.

We have four drivers who transport students from Forest Township and two who transport students from Warren Township. They are shown above and are left to right: Lester McQuinn, Carl Wainscott, Harry Unger, Chalmer Davis, Paul Milligan, and Dwight Orem.

The Advisory Board, three leading citizens of the community, serves with the trustee in handling the business of the Forest Township School. They advise the trustee, help make out the budget, and are present when the bids for school bus drivers are let. They are seated as follows: Harley Robertson, Waldron Orr, Wallace Stockberger--Trustee, and Ralph Jordan.

The Junior Class of '51-52 consists of twenty-one students. As we took possession of our share of the seats in room 5, we started clamoring for something to do. As the days went by we waited impatiently for our class rings. Finally, that wonderful day arrived so now everyone wears their class ring very proudly.

In our first class meeting, we discussed money making projects. We decided to sell candy, booster buttons, and license-plate reflectors. With each member of the class ready with a do-or-die sales talk, we set out to sell them.

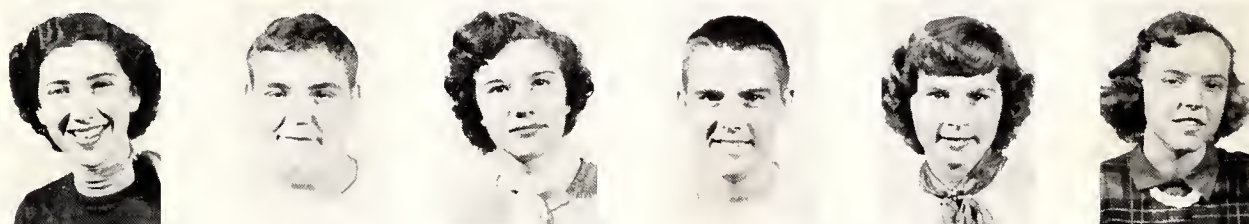

The class is well represented in the chorus and band this year. Lois Browning was chosen as one of the school yell leaders. We also have several of our boys on the basketball team. With our talented class we should go far.

Our party, the first semester, was a "Come as You Are Party" held at the school building. The party was well attended and enjoyed by everyone.

Our class play was held in the spring and we practiced diligently for three weeks. The play went off fine both nights with the exception of a few minor catastrophes, which always occur at class plays. However, these incidents only added to the hilarity of the play.

Now, all we are waiting for is to take possession of the Senior's seats and privileges.

Sophomores

Row 1: Ralph Jones--Pres., Ted Miller--Vice Pres.,

The Sophomore class entered school with much enthusiasm. It was such a relief to be no longer classed as "Green Freshies". The arrival of our class sweaters helped to remove any doubt as to our identity. Each class thinks their sweaters are better looking than those of any other class and, of course, ours are.

We were pleased to have Shirley Robertson chosen as one of the yell leaders. This is Shirley's first year at this most important job.

For our first semester party, we went to a drive-in theatre on a hay wagon--a very original idea! Everyone reported a wonderful time.

To make money for the much-looked-forward-to Senior trip, we sold cokes at the local ball games. We will really have to concentrate on money making activities next year.

Although the Sophomore year is a good one, we are looking forward to being upper classmen next year.

Freshmen

The Freshman Class always enters high school with mixed emotions of fear and anticipation--fear of the annual initiation, and anticipation of four fun-filled years.

Initiation was held without serious mishap and it was hard to tell who enjoyed the event more, Freshmen or Seniors. Our first semester party was held in October. We went skating and then to a double feature show. Every one had a nice time.

The Sunshine Society held its first meeting the first week of school with Marilyn Mitchell, the new president, presiding. Miss Vera Stoops had been selected as faculty sponsor. At this meeting plans were made for the year.

The initiation ceremony for sixteen new members was held in the Baptist Church in October. The initiation ceremony is always very impressive and helps those who are already members to realize that the purpose of the society is helpfulness and kindness to others. Mrs. James Kramer talked to the girls using the creed as her theme.

In October the Junior Ghosts were hosts at our Halloween party. Everyone came masked and after an evening of fun the ghosts served refreshments, cider, apples, and candy.

At Thanksgiving time an impressive convocation was presented by the Sunshine Society with the aid of the Grade Music Department.

Mrs. Carroll, of the Carroll News Agency of Frankfort, was guest speaker at our November meeting. She gave a demonstration in gift wrapping. We were educated as well as entertained.

We always look forward to our December party. It has been the custom for several years to decorate the school building at this time. After a delicious supper prepared by the sophomore girls we had our gift exchange. Then we went caroling and delivered fruit baskets to the shut-ins.

In January Irmgard Hammer, a German student from Western High School, talked to us about the lives and problems of German teenagers. We also had the Riley Fund Drive to help the children at Riley Hospital in January.

A Valentine Party in February with the seniors acting as hostesses was enjoyed by all. Cupid was a guest!

Election of officers was held in March. They were installed later at the party in honor of the senior members. At this meeting we revealed our secret pals.

The highlight of the year was the Mother-Daughter Tea in April.

- Oct. 6 Early in the morning all the band members, carrying their lunch, boarded a school bus for a long trip to Bloomington. Here they attended I.U. Band Day as spectators and witnessed a massed school band program and the Indiana-Pittsburgh football game.
- Oct. 23 A band party and rehearsal was held in the school gym in preparation for a Halloween Parade at Russiaville.
- Oct. 31 The band distinguished themselves in the Halloween Parade. After the parade they were served hot doughnuts and cider by the American Legion.
- Nov. 19 The school band furnished a program for the local Farm Bureau Association, wearing for the first time the citation cords that they had wanted for so long.
- Feb. 9 Solos, duets, trios, and quartets--yes, all representing our band, entered the State Solo and Ensemble Contest. They made a good showing for themselves too!
- Mar. 23 The annual County Music Festival was a great success. The girls looked so pretty in their formals.
- Apr. 4 For the first time, all the members of our band took part in a district band organization which presented part of the program at the District Choral Festival at Kokomo.
- May 5 Following the usual procedure the band played the senior processional and a few other numbers for the commencement exercises.

For the last three consecutive years the high school chorus has studied state adapted choral literature which qualifies them for State Choral Festival participation. Those recommended and qualifying for eligibility this past season were: Carol Pollock, Ramona Avery, Barbara Smith, Shirley Robertson, Elizabeth Davis, Dee Stewart, and Harold Orr.

The study of the State Choral Music prepares the students for the Kokomo District Festival in which the entire chorus participates.

One of the biggest musical events of the year is the annual operetta. The production this year was entitled "The Gypsy Troubadour." It was very tuneful and colorful.

Below is the entire cast from "The Gypsy Troubadour".

Music

A total of 1,718 students from schools of this area participated in the Music Contest held in the Kokomo center, February 9, 1952. Over a period of five years, the number of pupils participating from F.H.S. has steadily increased from one to 35, indicating the growth of interest and enthusiasm in competitive musical activity.

Although entering for the first time in a particular field, the following scored quite satisfactorily, winning excellent ratings: Max Watkins, cornet; Tommy Davis, saxophone; Harold Orr, base solo; Dick Davis, base solo; and Betty Mitchell soprano solo.

Also winning excellent ratings on the first entry in various ensembles were: Marilyn Robertson and Rex Mays, trumpet duet; Donna Jones and Carol Pollock, vocal duet; Donna Jones, Elizabeth Davis, Barbara Smith, Shirley Robertson, Ramona Avery, Carol Pollock, girls sextet.

Winning a superior award on their first entry as a barber shop quartet were: Dick Davis, Dee Stewart, Allen Milburn, and Ralph Foreman. This also marked the first year any provision has been arranged for barber shop quartet entries in the state association contests.

It was an old story for several other veteran boys and girls, some of whom have participated several times in the NISEOVA contests. Those earning superior ratings in the event were: Larry Jordan and Larry Stewart, both in Eb alto saxophone solos and in a duet ensemble.

Placing second with excellent ratings were: Dee Stewart, trombone; Billy Peden, trumpet; Tom Brookbank, trumpet; Donna Jones, soprano solo; Barbara Smith, soprano solo; Janet Jordan, Judy Achors, Carol Pollock, and Lulu Bell Linson; clarinet quartet.

Winning a high third place were Dale Orr, trumpet; and Carol Mundell, Eb alto saxophone.

The contestants were awarded medals significant of their rating.

Several of the contestants presented their numbers before social organizations in Kokomo and the surrounding community.

Cheerleaders

Every year just before basketball season opens, the entire student body meets in the gymnasium for one of the biggest events of the year, the election of yell leaders. Anyone who is interested may try out.

This year we elected Carol Collock, a senior; Lois Browning, a junior; and Shirley Robertson, a sophomore.

They have led the cheering section that boosted the morale of the team which has given us one of our better seasons.

Basketball

The Forest Bobcats had another good season. They went into the Sectional Tournament with sixteen wins and four losses. This record included the winning of the Burlington Four-Way Tournament.

They won eight straight games before losing to Colfax on their floor to the tune of thirty-nine to forty. This loss, starting a season slump, almost caused losses to Scircleville and Kirklin.

In the County Tournament the Bobcats lost to Colfax in the second game after winning over Jackson. This was their second loss of the season; both losses credited to Colfax.

Forest was returned to the Frankfort Sectional this year, after playing in the Kokomo Sectional one year. In the Sectional Tournament, Forest met Michigantown and won, after a hard fought game, by the slim margin of two points. After winning this game the Bobcats were defeated by Kirklin. This ended the season with seventeen victories and five losses.

The Girls Athletic Association was organized again this year with Mrs. Claudine Deerr as faculty sponsor. The following officers were elected:

President: Donna Robertson
Vice-President: Janet Jordan
Secretary & Treasurer: Judy Achors

Our first activity was softball. We played Colfax two games and lost both of them. Jefferson, Sugar Creek, and Colfax were scheduled for basketball.

Honor sweaters are given to Senior girls who have accumulated a sufficient number of points during their years of G.A.A. membership. Points are earned by attending the regular meetings and participation in games.

Pat Terrell was the only girl eligible to receive a sweater for the year '51-'52.

'THE BOARDING HOUSE REACH'

For many years Wilbur Maxwell had wanted a bicycle, but couldn't persuade his Mama and Papa to get him one. So, when Pop was called away for a week-long business meeting, Mom was persuaded to go with him. The house was left in charge of his sisters, Connie and Betty Lou. Wilbur got an idea that he would open up a boarding house to make his own money and buy his own bicycle. So into the paper went the ad, and that night the whole Maxwell house was crawling with people. Every room was filled, and Wilbur was doing a bang-up business, then it happened! Mama and Papa, at two o'clock of the next morning, came dragging home—Papa forgot his briefcase. From there on out it was one mess after another, and Wilbur finally got his bicycle.

School Song

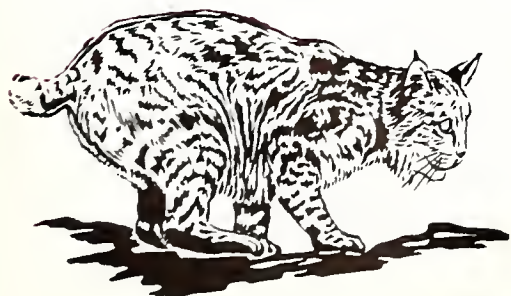

'Way back in 1928, on a cold, cold winter's eve, our school song came into being.

On this particular evening, a class party was in full swing. Ben Wyrick was at the old player piano playing the ever-famous "Notre Dame Victory March," when suddenly, George McAdams, still an ardent fan and scorekeeper of the Bobcats, had a brilliant inspiration. Why not compose a school song? Everyone thought it to be an excellent idea. So with Ben playing the Victory March, George began the task of setting words to the music. After much rearranging and crossing out of words, the following song was written:

"Let every voice with rapture ring
We've got a team that's fit for a king
We are with them forever
We shall foresake them never
This is the song we sing.

Yea, Forest Bobcats, come on and win
We are beside you through thick and thin
Cheers arise from every side,
Singing your praises far and wide.
Though loss may stare you straight in the face,
Come on, and do not slacken your pace
Fight, Cats, fight with all your might,
And win us the victory.
Rah! Rah! Rah!
